● **HOBBIES AND INTERESTS**

Documentary Enthusiast

I am deeply interested in watching documentaries covering various topics such as history, geopolitics, economics, and various case studies. This hobby broadens my perspectives and deepens my understanding of complex global issues, fueling my intellectual curiosity.

Tech Trends Follower

I stay updated with daily news, especially in technology and artificial intelligence, which aligns with my tech-savvy nature. This interest keeps me at the forefront of technological advancements and enhances my professional capabilities.

Web Development and Data Analytics

My technical skills include web development and data analytics. These are not just professional tools for me but personal passions that involve creating digital content and analyzing data for deeper insights, which I find immensely rewarding.

Geographic Information Systems (GIS) Enthusiast

I am passionate about Geographic Information System (GIS) software due to its relevance to my academic field and its potential to address environmental and climate challenges. This interest represents my commitment to integrating technology with sustainable urban development.

Global Explorer

Recently, I have developed an interest in travelling, particularly to countries known for their scenic beauty and rich culture, such as Norway and Switzerland. This interest in exploring new cultures and environments significantly expands my personal and professional horizons.

● **HONOURS AND AWARDS**

Academic Competitions – Climatescience

Achieved semi-finalist standing in an internationally recognized competition.

Scholastic Achievements

Consistently placed in the top three in numerous competitions and olympiads.

Cultural Competitions

Ranked in the top three in diverse cultural events during school years.

● **MANAGEMENT AND LEADERSHIP SKILLS**

Panel Member

Served as an active panel member of the IT Club at Adamjee Cantonment College.

Volunteer Team Leader

Spearheaded a volunteer team, managing and directing project initiatives to successful outcomes.

Class Captain

Elected as Class Captain for multiple years, tasked with representing class interests and facilitating communication between students and faculty.

● **VOLUNTEERING**

2019 – 2023 Dhaka, Bangladesh

Volunteer

Actively contributed to 3RD HAND Bangladesh, a non-profit organization focused on community aid and development projects.

2018 – CURRENT U-Reporter Bangladesh, UNICEF

U-Reporter

Serving as a U-Reporter for UNICEF, participating in a global platform that empowers young people to influence and catalyze societal change through data collection and reporting.
